BoxHub Self-Storage - Rental Agreement Terms

1. Parties and unit

This agreement is between BoxHub Self-Storage ("BoxHub") and the customer named in the booking ("Customer"). BoxHub grants the Customer the right to use the storage unit specified in the booking. The agreement does not create a lease of real estate.

2. Term

The minimum term is one month. After that, the agreement renews automatically month to month. Either party may end it with 14 days' written notice. BoxHub may end it immediately if the Customer seriously breaks the Storage Rules.

3. Rent and deposit

The Customer pays monthly rent in advance on the billing date and a refundable security deposit equal to one month's rent. BoxHub may change prices with at least 30 days' written notice. Prices fixed by prepayment do not change during the prepaid period.

4. Late payment and lien

Late fees apply as described in the Payments and Late Fees policy. If the balance remains unpaid for 60 days, BoxHub may open the unit, move the contents to another location, and sell them to cover the debt. Any money left after covering the debt and costs is returned to the Customer. BoxHub sends written notice at least 14 days before any sale.

5. Protection of goods

Basic protection covering up to $2,000 is included. Extended protection up to $10,000 costs $9 per month. Protection covers fire, flood, theft with signs of forced entry, and storm damage. It does not cover cash, jewelry, art, documents of personal value, prohibited items, or damage caused by poor packing or pests attracted by stored food. Claims must be reported within 7 days of discovering the loss, with a list of damaged items and their value.

6. Liability

BoxHub is not liable for loss or damage to stored goods except where caused by BoxHub's negligence. The total liability of BoxHub is limited to the protection amount chosen by the Customer.

7. Access

The Customer may access the unit during facility access hours using a personal access code. BoxHub may suspend access if payment is more than 15 days overdue. BoxHub may enter the unit only in the cases listed in the Storage Rules.

8. Moving out

On moving out, the Customer must remove all goods and their padlock, leave the unit clean, and return access cards. Goods left in the unit 7 days after the end of the agreement are treated as abandoned and may be disposed of; disposal costs are charged to the Customer.

9. Personal data

BoxHub uses the Customer's personal data only to provide the service, process payments, and send service

notifications. Data is kept for 3 years after the agreement ends, then deleted.
